- 10 Jan ☽ SD 05:37 pm MST Tran-Tran  02° 8'39"
Uranus Stationary Direct in 09th House
- 12 Jan ♃ ♂ ♁ 09:07 am MST Tran-Tran  22° 13'46"
This roughly yearlong stretch marks a time when conservative ideas and organizations gain their power through force, fear, or covert activities, or by simply steamrolling their opposition. The McCarthy era is a good example of this feeling. If you're not specifically in the way of this sort of operation, this probably has little personal effect, but it puts an air of worry in the social background that things are not as stable as they should be and that something somehow is amiss. That even filters down to children born in this period, who are noted for anxiety and depression and the psychologically driven creativity that sometimes induces in later adulthood.
- 17 Jan ♃ ♂ ☽ 10:45 pm MST Tran-Nat  10° 13'37"
You are at a high peak of self-discovery, and may experience revelations that are quite startling to you. The temptation will be to break with all else and follow the new path, but don't burn your bridges behind you. There are many paths for each person. The truth lies in all, not just in one.
- 25 Jan ♃ ♂ ♃ 09:56 pm MST Tran-Nat  12° 13'24"
You may find yourself totally in conflict, as inner beliefs balk at obvious opportunity. Do you compromise yourself to win, or let lost gains be the price of moral victory? It may be the time for a personal re-evaluation all around, for testing of standards and judging their long-term validity.
- 30 Jan ♃ ♂ ☉ 08:41 am MST Tran-Nat  13° 13'23"
Stop-and-go energies within make it hard to stay on one subject at a time, so be ready to diversify. Avoid commitments that require steady or constant attention in favor of those that will let you come and go as you please. What goes unfinished now can be completed later, if you design it that way.
- 30 Jan ♃ ♂ ♂ 10:45 am MST Tran-Nat  13° 13'24"
A major boost of energy is on the way, which can carry you like a surfer on a monster wave if you direct it properly. Strength, stamina, and initiative are fueled for whatever project you wish to channel the energy into. The key is to direct it so it neither runs away with you nor is wasted.
- 20 Feb ♃ ✳ ♃ 08:57 am MST Tran-Tran  17° 13'46"
A more realistic and satisfying way to blend dreams, hopes, and expectations by sharing is in the wind, if you are willing to take a deep breath. Actually, a series of shallow breaths describes it better. What once you may have kept to yourself, it is time to exchange with others who have been in the same situation. Fortunately, the air is very conducive to doing just that, and what might have been hard to say before comes more easily with the knowledge that it is a two-way street of mutual trust and reward. You may find this critical to your happiness, or you may just find yourself in a general situation where it helps others and

it's the best thing to do to go along. Either way, you win.

- 22 Feb ♃ ✖ ♃ 01:16 pm MST Tran-Nat  27° vs 27'
A generalized trend of stabilization of a mild sort may be expected, marked by heightened social sensitivity and recognition of the needs of those around you -- how to tend to them and how to garner their support. Nothing dramatic, just a feeling that you intuitively know how to fit in better.
- 29 Feb ☽ ♀ ♁ 08:00 am MST Prog-Nat  10° vs 37'
It can be particularly easy to let surprise emotions out into the open without necessarily meaning to, which can stimulate inventiveness and originality or simply initiate social train wrecks, so be spontaneous but watch what you say. Unexpected honesty can be refreshing, but it can have consequences, so weigh them.
- 05 Mar ♃ ♀ ♃ 03:26 pm MST Tran-Nat  20° vs 26'
This is a crisis point along the path to your long-range goals and should be taken quite seriously. Thoughts of abandoning six years of efforts in favor of a new direction are strong, but you are likely better off to regroup, pool your resources, and move ahead, after some realistic appraisal of the options.
- 18 Mar ♃ △ ☽ 02:54 am MST Tran-Nat  29° vs 43'
Solid emotional support makes your reaction strong and firm, and reliable to your friends. You can usually count on your first decisions, made perhaps a bit slower than at other times, but with greater confidence and surety. A fine time for passing out advice and being a fountain of adages and folk wisdom!
- 21 Mar ♃ ♀ ≈ 08:58 pm MST Tran-Tran  00° vs 00'
The next couple of years do not hold much promise for those who have entrenched themselves in commonness. The one-size-fits-all philosophy will see some serious setbacks as quality and quantity part company and leveling bureaucratic structures get shaken up and shaken down. If you've been tending to your own business, this fortunately won't include you.
- 04 Apr ♃ ♀ ♀ 07:00 pm MST Tran-Tran  24° vs 53'
Sometimes innovation and expansion arrive on a gentle breeze, sometimes on a hurricane. This time it is likely to see the latter, when progress is not to be resisted or it will overcome you by sheer force. This does not mean you have to get on board of every new brainstorm, but if you see a juggernaut coming, either climb on or get out of the way. On a personal level, however, this can mean shoving your ideas or beliefs down someone's throat, albeit with well-meaning, and that can be tantamount to coercion or worse. No means no, whether you believe it or not, and since the tendency for coercion is in the air in general, you may be the one on the receiving end to most benefit from that.
- 21 Apr ♁ □ ♀ 02:46 pm MST Tran-Nat  06° vs 20'
At times it may seem that you are burning out your brain pan to no particular avail, which is probably correct. You are besieged with new ideas and approaches that demand immediate implementation and then simply don't work. Let them cook on the back burner and mature -- their change will save you pain.
- 24 Apr ☽ ♀ ♀ 08:23 am MST Prog-Nat  12° vs 24'
Don't be surprised if you find yourself adrift on your dreams for the next couple of months,

which can be a treat if you've cleared your decks of practical matters so you can let it happen. You can't be pinned down right now, so don't go there, but let yourself float and give your imagination full sway.

- 24 May ☽ ♂ ☽ 01:45 pm MST Prog-Nat  13° 23'
Expect a bit of an ego boost for a while, as your one-two Sun-Moon punch is right in tune in your Sun sign. So for the moment you may be best off putting your eggs all in one basket where you can take advantage of big steps forward without dividing your energies. Presenting a solid front is easy and puts you ahead of the game.
- 25 May ☽ ♂ ♂ 03:41 am MST Prog-Nat  13° 24'
You sometimes have to make your move, even though your heart isn't fully behind it. Having mixed feelings about your actions doesn't help with follow through, so it may be time to make your judgments based on outward analysis alone and do what you have to, despite misgivings, letting your gut catch up to it later.

- 01 Jul ♄ ♂ ♁ 04:47 pm MST Tran-Tran  00° 00' R_x
Although work may be its own reward, the work ethic is not a guarantee of success. The next

couple of years reveal that, as efficient and judicious effort is rewarded while those who have been only repeating operations based on previous success will find their edifices relentlessly crumble. The past reaches the future only through change, don't forget it.

17 Nov ♁ ✖ ☉ 00:40 am MST Arc-Nat  13° mp 23'

Your personal commitment to what you are doing is likely evident to everyone, so you don't have to go proving yourself where career or professional matters are concerned. Better to concentrate on what you're doing day to day and let people's talk develop on its own -- it will be most supportive when you ignore it.

19 Nov ♄ ✖ ♄ 09:11 am MST Tran-Nat  27° vs 27'

A generalized trend of stabilization of a mild sort may be expected, marked by heightened social sensitivity and recognition of the needs of those around you -- how to tend to them and how to garner their support. Nothing dramatic, just a feeling that you intuitively know how to fit in better.

- 23 Nov $\text{Mc } \Delta \text{ } \text{♂}$ 09:36 pm MST Arc-Nat  13° mp 24'
Any projects you are involved in right now will be giving you good press, so take some time out now and then to find out what and why. You don't have to make overt efforts to promote yourself, as your work speaks for you, but it's not a bad idea to investigate why people like what you're doing without your even telling them about it.
- 28 Nov $\Psi \text{ } \text{SD}$ 02:13 pm MST Tran-Tran  18° K 10'
Neptune Stationary Direct in 07th House
- 07 Dec $\text{♃ } \text{X } \text{♃}$ 04:40 am MST Tran-Nat  27° vs 27'
Cautious redevelopment of your own inner support system will benefit you greatly. Now is the time to strengthen the defenses you may have taken for granted and fill in the chinks in your armor that have developed over time. A judicious blend of the new and old builds a stronger edifice all around.
- 14 Dec $\text{♃ } \Delta \text{ } \text{♃}$ 03:18 am MST Tran-Nat  29° vs 43'
Solid emotional support makes your reaction strong and firm, and reliable to your friends. A fine time for passing out advice and being a fountain of adages and folk wisdom!
- 16 Dec $\text{♃ } \text{♄ } \text{♁}$ 10:03 pm MST Tran-Tran  00° ≈ 00'

- 17 Dec $\text{♃ } \Delta \text{ } \text{♃}$ 10:11 pm MST Tran-Nat  29° vs 43'
Easy-going feelings rule the day and you're likely to be right on base in your inner judgments of the situation, particularly where long-term judgments are concerned. A feeling of largesse lets you forgive and forget easily, but don't write off situations that might repeat themselves to your detriment.
- 19 Dec $\text{♃ } \text{♄ } \text{♁}$ 06:08 am MST Tran-Tran  00° ≈ 00'
The upward path this coming year will be much about giving everybody a piece of the pie and sharing all resources to pull ahead together. It's not a great climate for going solo, since everybody's looking to share both wealth and burden, but it's a good time to discover untapped potential in people and places which were there all along.
- 21 Dec $\text{♃ } \text{♄ } \text{♃}$ 11:23 am MST Tran-Tran  00° ≈ 29'
This broad social-economic indicator portrays a current climate of social and financial change in which new ways of approaching life come up to challenge more traditional beliefs and methods, marking a year or so of turmoil and uncertainty as it all sorts out. Just as so many individual dramas were played against the backdrop of World War II (begun under this aspect), your own play finds itself on a stage possessed by strong forces and currents, which, if well taken, lead on to fortune. These are what the Chinese called "interesting times," less predictable and more heroic than most.
- 28 Dec $\text{♃ } \text{♄ } \text{♃}$ 11:14 pm MST Prog-Nat  20° G 26'
Don't be surprised if your heart is gaining a couple of sizes - this is one area in which you

don't have to watch your weight. You're in an expansive mood in general, and your reaction is to wrap yourself around the situation and devour the whole enchilada. That, however, could involve some weight gain, so make sure your eyes aren't bigger than your stomach.
